

ENROLLMENT POLICIES

(subject to change)

Thank you for joining us in our mission to bring Spanish to our community's young learners! Learning a second language with Adventures in Spanish is not only a valuable and fun academic and cognitive exercise, but also fosters an awareness, appreciation, and respect for our own and other cultures that surround us.

With all our classes, whether virtual using Zoom or in person we have created some new policies to create a rich learning environment and to provide our students and families with the best programming possible. You will also see our refund policies as well.

BEHAVIOR POLICIES

Adventures in Spanish is committed to creating a successful environment for your children. We want all children to feel safe and secure while engaging in fun, structured games and activities. We will treat your child with kindness and respect and we expect your children to treat our teachers the same.

At times behavior issues arise. Harassment, intimidation and bullying are unacceptable behaviors and will not be tolerated. Kicking, hitting, any behaviors that may distract from the classroom dynamic, racial slurs and any other behaviors deemed inappropriate will also not be tolerated. If behavior issues do arise, we will speak to the child with respect and ask them to stop the behavior. We will do this 2-3 times if needed. If this action does not yield the results we would like, parents will then be called to discuss the matter. Parents may also be called to come collect the child early. If the behavior still does not change, we will then ask a parent (or guardian) to attend class with their child. Lastly, if the problem continues to be ongoing, your child may be asked to be removed from our class. Refunds will follow our current refund policy above.

In summary, if behaviors are a problem:

- Ask the child to stop.
- Talk to the parents. Parents may have to pick up early.
- Have the parents come to class.
- Removal from our program.

We want your children to learn Spanish in a fun and safe environment. Thank you for your help and understanding.
